

North Carolina District Attorney Candidate Questionnaire

As part of our organizations' effort to reduce the state prison population while combatting racial disparities in the criminal justice system, the ACLU of North Carolina and the Carolina Justice Policy Center are interested in engaging with North Carolina's district attorneys. Our goal is to educate voters, and those who have been impacted by the justice system, about the influence that district attorneys can have on policies that reduce or fuel mass incarceration.

We would like to provide voters with information about where candidates for district attorney across our state stand on critical criminal justice reforms, such as prosecutorial transparency, reducing incarceration, eliminating racial disparities in the criminal justice system, and ending the death penalty.

All candidates for district attorney in North Carolina are receiving this questionnaire. Responses will be made publicly available in an effort to hold candidates accountable to their communities' fundamental need for justice, safety, and respect.

Please write your answers in this document and email your responses to Susanna Birdsong at sbirdsong@acluofnc.org on or before April 17, 2018.
